Email: office@oldburyschool.org.uk

Monday 8th June 2026

We are delighted to inform you that Mad Science are returning to host the

Mad Science After School Club at Oldbury on Severn Primary School

We'd love to welcome your children to join in the awe-inspiring science with us.

If you have a budding Mad Scientist at home, or your children are science mad, there's never been a better opportunity to expand their interest, encourage their imaginations, and allow them to discover a whole world of science like never before.

Hosted at your child's school, they'll enjoy an awe-inspiring session run by our highly trained staff. **Children in Years 1-6 are eligible to attend.** Each week will allow them a different topic and theme to explore. They'll have so much fun they forget they're learning. All new classes with different topics and themes each week. There's plenty to discover and explore!

Course Dates

Club runs every **Thursday** for **12** weeks (excluding the October half term week)

17th September – 10th December

Each class runs for 1 hour from end of the school day

Children who attend After School Club on Thursday are eligible to attend. Once the Mad Science club is finished they will be taken down to the hall.

Online Registration is now open with limited spaces available

Register your account and Book Online Today.

AFTER SCHOOL SCIENCE CLUB

HERE AT
YOUR
SCHOOL

The Club

Mad Science Afterschool Clubs provide the perfect mix of fun, interactive, educational content. Taking aspects of physics, chemistry and some biology to engage and excite all children enrolled. Our hands-on, enquiry based sessions encourage independent learning skills and discovery at their pace. They'll be immersed in a fully unique and different topic each week during the course, so there's plenty to explore as they get to grips with key science concepts and fun STEM based explorations.

**They'll have so much fun,
they forget they're learning**

Booking

Scan QR code to access registration.

1. Create your parent account
2. Add your child's details
3. Book Your Course

Celebrating 15 years of Sparking Imaginations with our hands-on science experiences. **Mad Science SW**, your trusted leader in STEM enrichment, driven by excellence, innovation, and a passion for discovery.
